Donna Jo Engle has had difficulty breathing due to an enlarged heart. Pray for her as she returns to the cardiologist to get his opinion.

John Rennebohm is recovering from a stroke and is residing in Assisted Living at Park Place. Pray for him as he recovers.

Pray for: **Caroline Catling, Mel Danner, Maxine Davidson, Donna Jo Engle, Kay Finney, Mardell Joynes, Junior & Wavadene Randolph, Mildred Sanderson & Hal Swenson.** These are people who because of various physical limitations are unable to join us on Sunday.

Our Sympathy is extended to Brian and Kitty Johnson at the passing away of Brian's father, Ray Johnson, Sunday, February 5th. His service was on Thursday, February 9th at Hazen and Jaeger on Monroe.

Missions:

David Gallagher serves with Greater Europe Mission in Spain equipping leaders for worship to build up Christ's Church. His ministry is called *Proyecto Aleluya*.

Dave writes: "Returning to full-time pastoral training at the seminary after ten years away has been a delight! I have a great group of students this year who are eager to learn and I can already see the changes in their thinking about ministry as a result of the studies we are doing together on worship. Please pray for me as I finish the "Theology of Worship" course and launch the "Music in the Church" course. Also, I've been appointed the director of quality control for the renewal of the seminary's accreditation. Pray for me for wisdom and perseverance as I take up this responsibility.

I have reopened my connections with many of my former students who are serving in local churches. This has provided a base from which to continue providing worship training in those churches. Pray as my former students and I plan and carry out this training program.

The church that one of my former students is pastoring is also moving towards launching a church plant in a neighboring town which has never had an evangelical church before. Pray for God's guidance and protection as we seek to follow Him into this new disciple making outreach. Blessings upon you all."

UGM Women's Auxiliary Shower: See the insert in today's Bulletin for items needed for household items for families served by Women's Recovery Program, Anna Ogden Hall, & Crisis Shelter for Women & Children. Those leaving these UGM programs need these items to set up their new households. This is an amazing ministry.
